

July 2010

Lakeside Youth - GRADES 6-12

a note for parents/guardians: We are privileged to spend time with your youth at our weekly events, but due to the "voluntary drop-in" nature of our activities we are unable to enforce that youth must remain on the premises for an entire event. As a result, *youth are free to come and go as they please and we leave it in your hands as their parent or guardian to discuss with them the expectations of their actions during the timeframe within which our activities run.* Feel free to contact Dustin if you have any questions about this policy!
